S.E.A. Award

This Trophy was originally created as the "Seafly Encouragement Award" and contains parts of Seafly 89. It was awarded to the best first year skipper or most improved skipper. It was presented to McCrae in 1979 to be used for a similar purpose for a similar type of boat, i.e. a two man boat 14 feet long with spinnaker. The award is based on a review of the seasons results. It should be made

to the skipper of an appropriate boat who has performed meritoriously and deserves encouragement.
 Presented by John and Graham Mason.

Georgiana McCrae trophy

The trophy was presented to McCrae Y. C by Sharon Bowen, the manager of McCrae Homestead in February 2007 in order to recognise and celebrate the achievement of a female sailor member of the Club. The trophy itself, being a piece of turned Mulberry Bush, which would have been planted by the McCrae's at their McCrae home, symbolises the significance of the life of Georgiana McCrae, a remarkably talented painter, diarist and McCrae pioneer. The relationship of the McCrae Homestead to the Club is historic as the site of McCrae Y. C is where the ship "The Jemima" would anchor in order for the

McCrae family to disembark, upon their first arrival here and their subsequent visits from Melbourne.

The award is to be presented to the top performing female skipper based on performance in the Club aggregate series results.
